

CONDITIONS OF USE FOR IMAGES

1. Images provided for personal or research use may be copied to another medium for study purposes, but may not be otherwise reproduced by the patron photographically or digitally without written permission of the Central Rappahannock Heritage Center (CRHC).
2. Requests for permission to reproduce an image must be made by submitting a completed copy of the CRHC **Image Order Form for Publication or Exhibition**.
3. An image can be used only once for the purpose(s) listed in the **Image Order Form for Publication or Exhibition**. All permissions are issued for the life of a project or program. A second use of the image in any one project or program constitutes a separate use. Additionally, each media in any one project or program constitutes a separate use, including book, periodical, dust jacket or cover, brochure, broadcast video, recorded video/DVD, streaming video, CD/DVD, E-book, or website. Different versions produced simultaneously, such as textbooks for different jurisdictions, would count as one use. Any editions produced at a later time would constitute a separate use and must be applied for in writing.
4. The following is the basic credit line for all images unless otherwise specified:

Central Rappahannock Heritage Center

When provided, the photographer's name must be used in the credit line. We ask that you follow these guidelines:

- **Printed materials:** Credit line should be easily accessible.
- **Film, broadcast or video productions:** Include credit within the "Sources for Illustrations" or "Credits" section of the production.
- **Exhibitions:** Credit should appear in the exhibition area, preferable directly below or adjacent to the image.
- **Website:** Credit must be placed adjacent to the image along with a link to the CRHC website, www.crhcarchives.org.

5. The CRHC must be given one complimentary copy of any published work, including book, periodical, video, DVD or CD in which the image appears. The CRHC must be provided with the website address for images posted on the Internet.
6. Only photographic prints of 300 dpi (or higher) scans will be licensed for publication use. The CRHC provides 72 dpi scans for personal or website use only.
7. Images posted on the Internet will be no larger than 72 dpi and 600 x 400 pixels. The CRHC reserves the right to request the removal of its images from any website.
8. Images posted on the Internet will be watermarked to prevent copying.
9. The licensee or publisher cannot reproduce the image for sale to others. Copies of the image must be obtained from CRHC.
10. The licensee or publisher cannot give permission to others to reproduce the image or any facsimile of it.
11. The CRHC reserves the right to refuse to accept a reproduction order if, in its judgement, fulfillment of the order would involve violation of the copyright law. The granting of permission to publish by the CRHC does not absolve users of materials from securing permission from copyright owners and payment of such additional fees as the owner may require if the CRHC does not own the copyright or if the material is not in the public domain. Applicants assume all responsibility for questions of copyright and invasion of privacy that may arise in copying and in the use made of the photographic copy.
12. The CRHC reserves the right to limit the number of photographic copies, photocopies or scans provided to patrons and to restrict the use or reproduction of rare or valuable materials. The CRHC may refuse to accept an order based on condition of the item or on issues regarding ownership or donor-instituted restrictions.
13. The CRHC in no way waives its right to future use of any images or the right to grant others permission to use them.
14. Any exceptions or modifications to the above conditions will appear on, and be part of, this list of **Conditions of Use for Images** and must be agreed to by both parties.
